The early morning hours provide a variety of sights even before the school day is officially underway. The last minute cramming for a 9:00 a.m. quiz, the first bell for homeroom, clumps of people blocking the hallway, and lovers tucked in isolated corners.

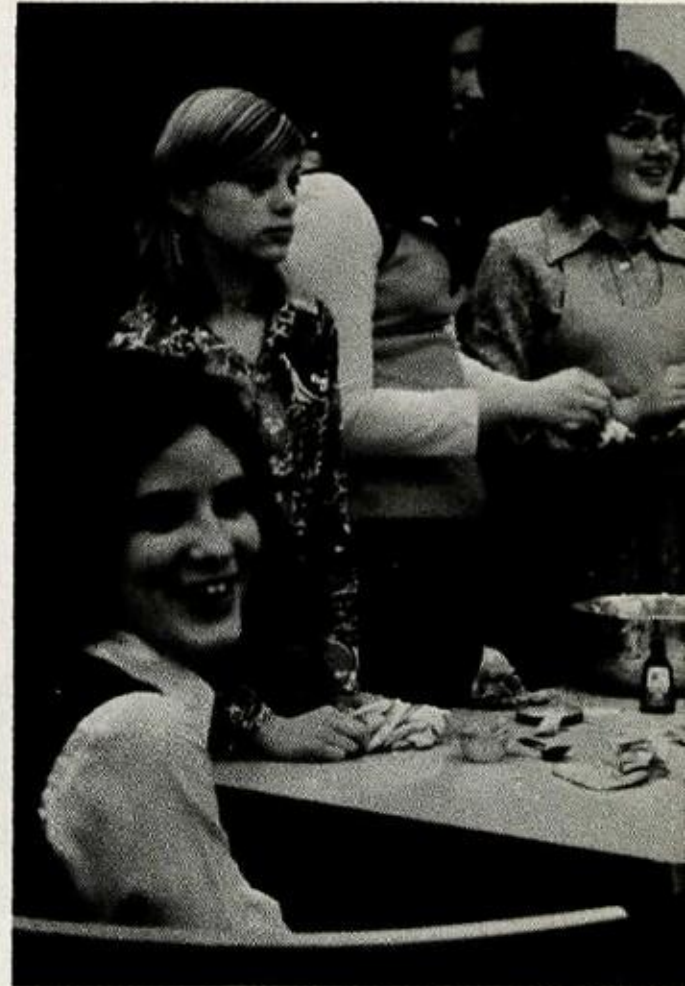

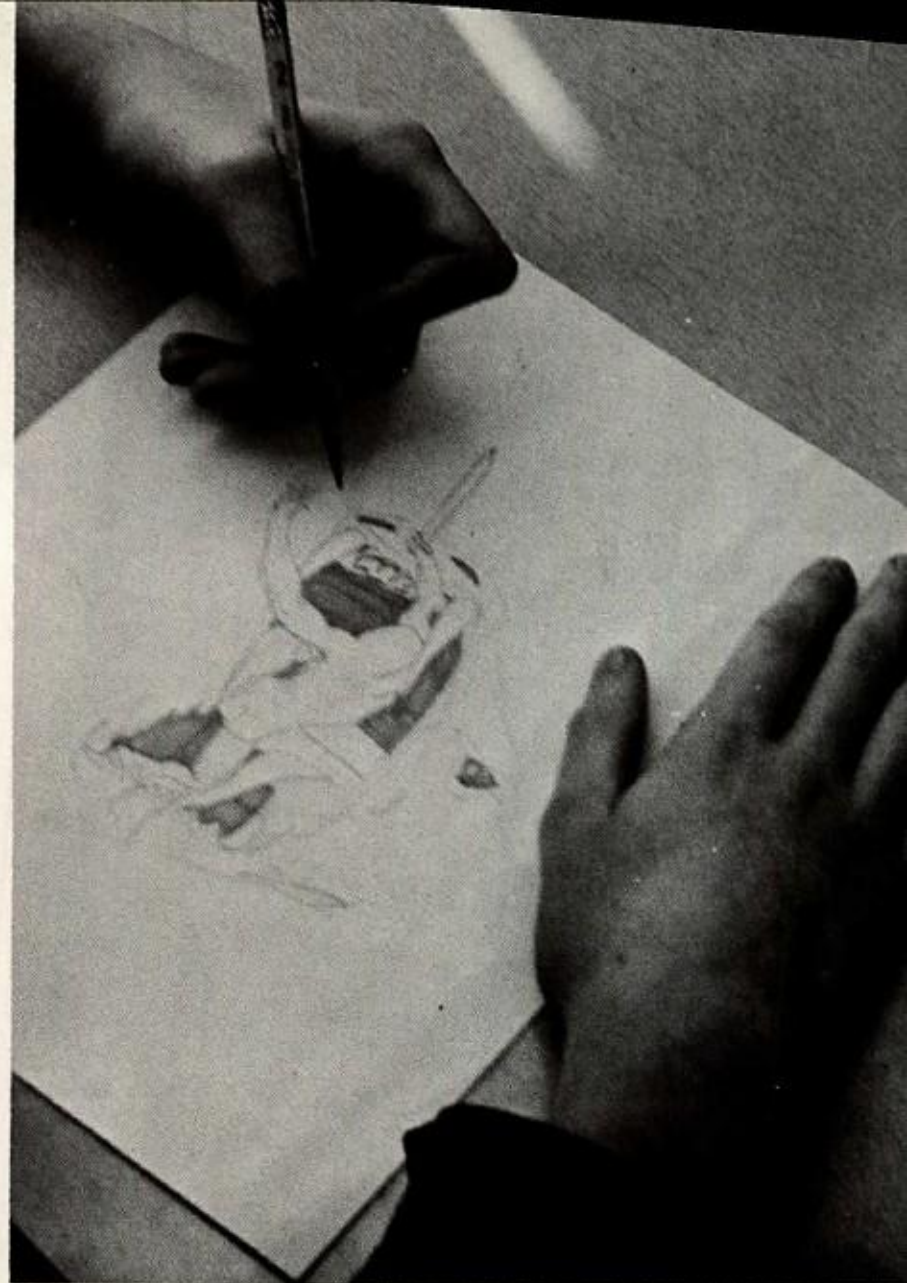

As morning classes eat away the hours, classes change and concentration slips to thoughts of lunchtime. When 3rd period slowly creeps to an end, the question most often heard is: "What's for lunch today?"

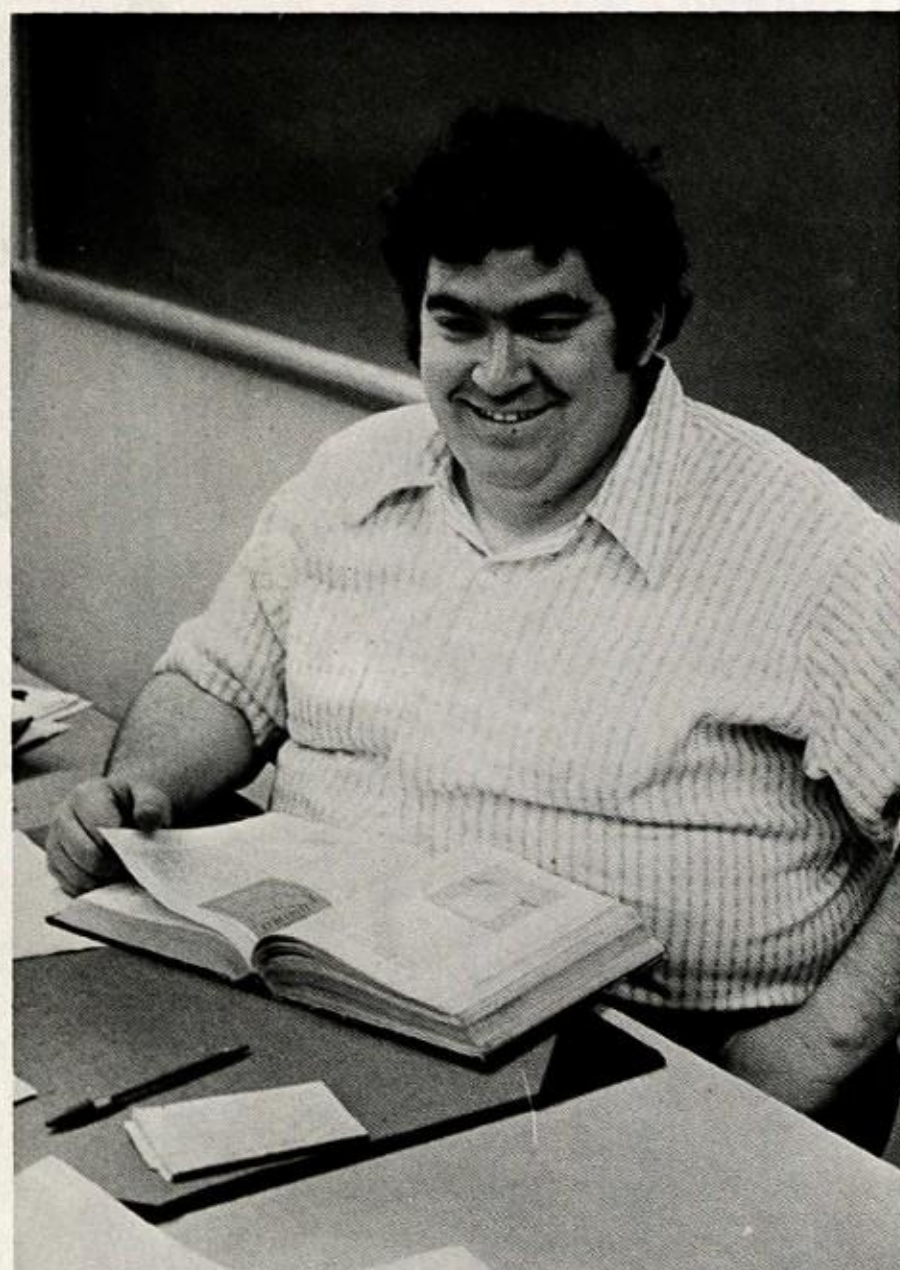

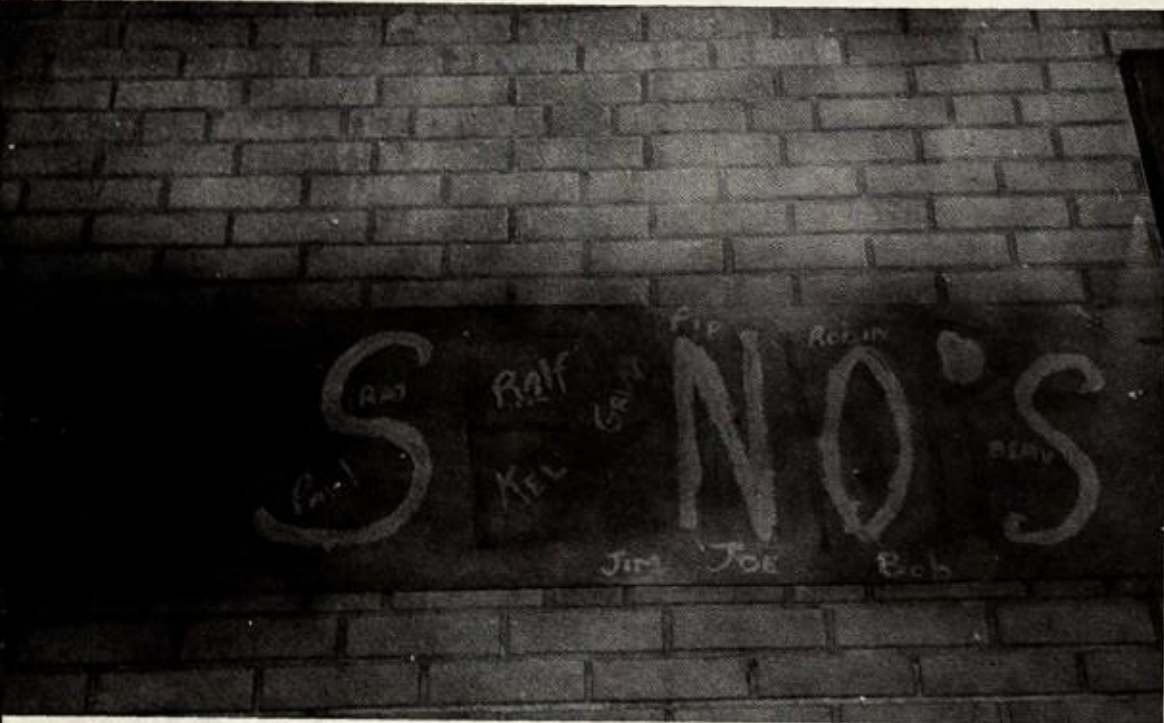

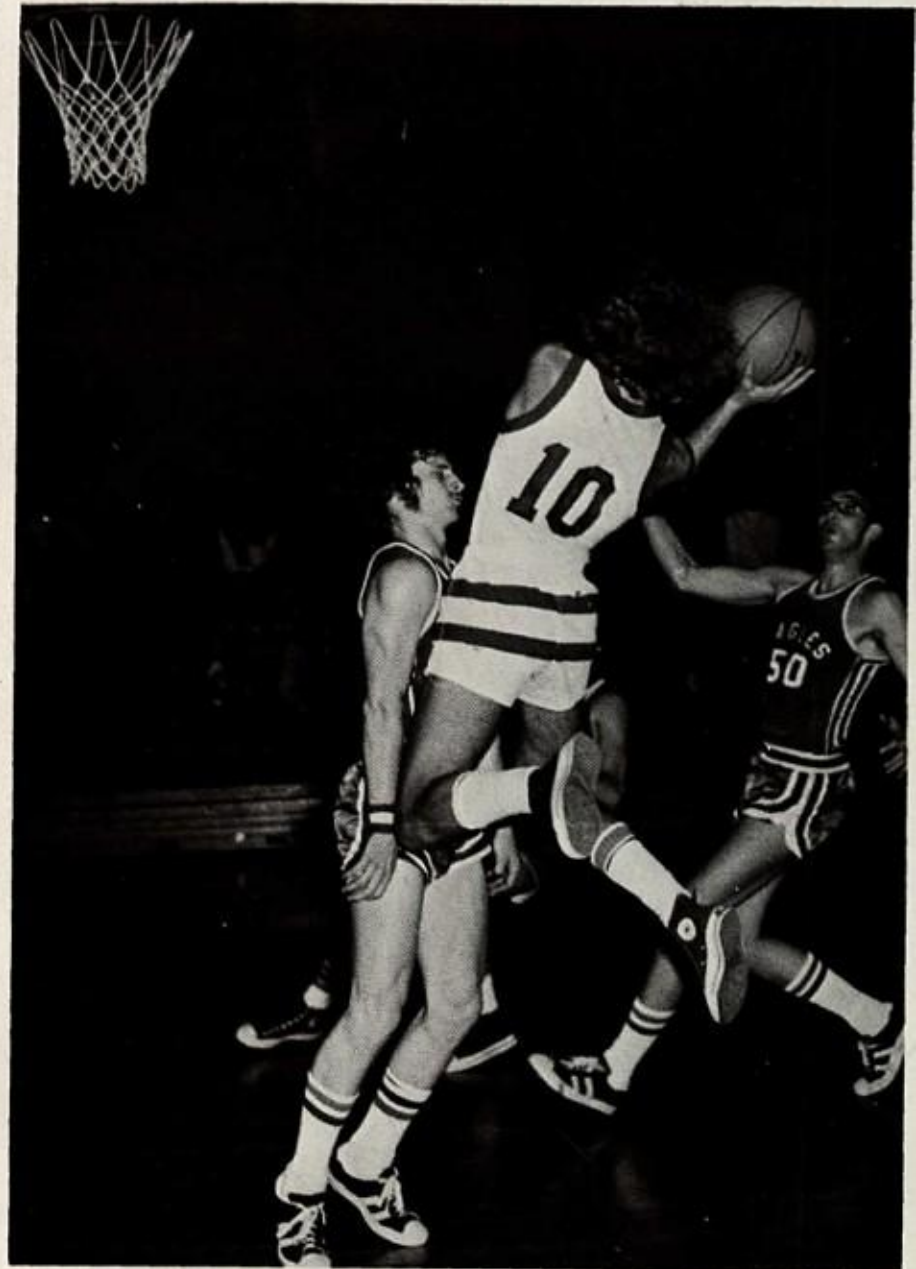

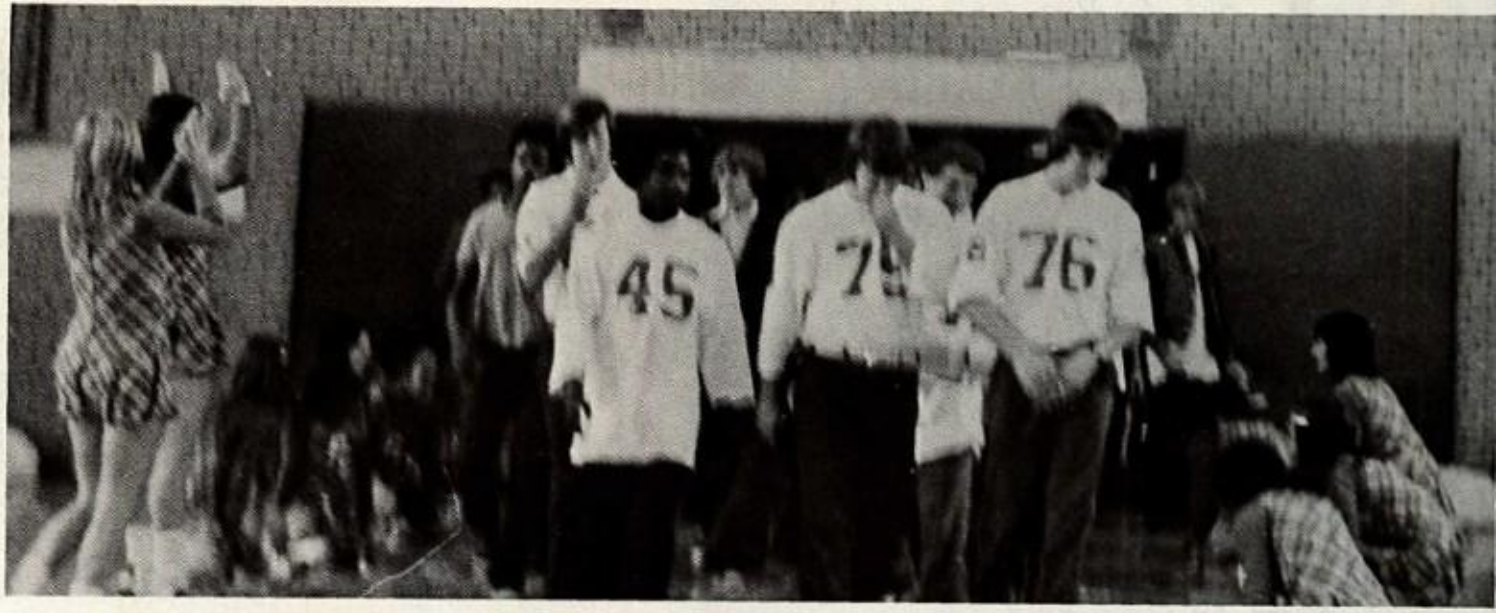

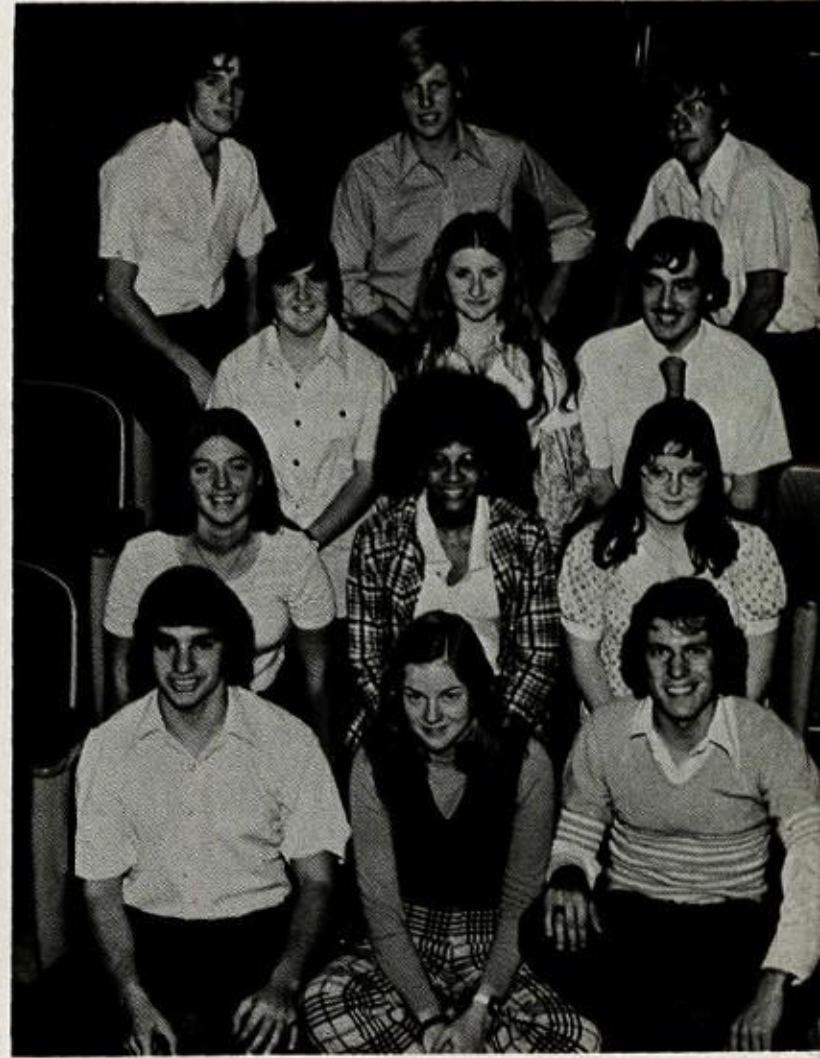

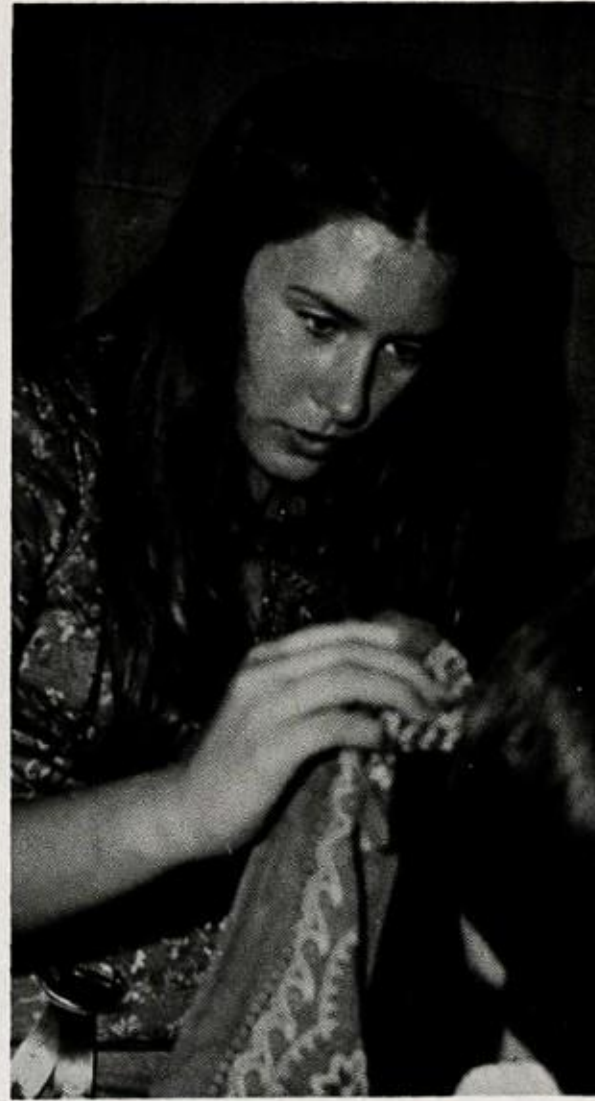

Lunch is over and everyone must resume the role of a student. Afternoon classes are spiced up with the library for the study hall students, painting for the art classes, woodcraft for the shop classes, and headaches for the faculty.

### *Lois Ruth Beard*

Everyone of us loved Lois.  
She was like a flower, just opening its petals  
To absorb the sunlight,  
Always fresh and exuberant,  
Full of love and warmth and joy.  
She in her way of speaking,  
Outward in her way of thinking,  
She carried her beauty like a light shining  
For Jesus, for friends, for all living creatures;  
Throughout her life she knew death, fought it,  
accepted it;  
She died living.

The Class of 1974 of Fort Cherry High School is graduating into a society that seems to have more problems to solve than any time in our history. Surrounded by a lack of faith in government officials precipitated by the Watergate investigation, the energy crisis and its converse pollution control stand out as our major concerns.

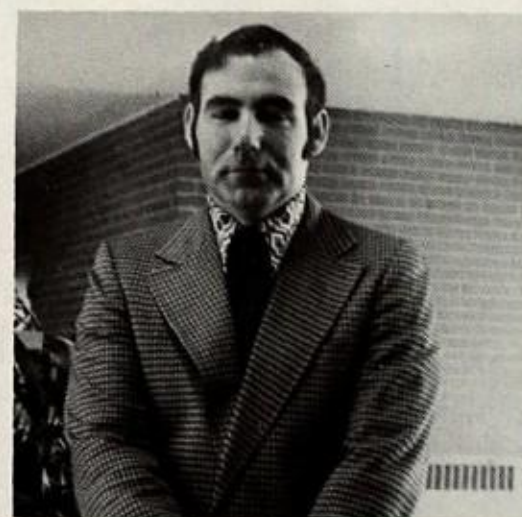

These are the problems you must aim toward solving. We have tried to prepare you to be inquisitive and become involved.

We, the faculty and administration, commend you for your past accomplishments and encourage you to assume an active role as a responsible member of our adult society.

The Fort Cherry Varsity Football Team closed out its 1973 season with a 3-5-1 record. Although the season record does not look very impressive, it does not do the Rangers justice, as most of the play this season was electrifying.

The 1973 Team had to be almost completely rebuilt with only two regulars back from the 1972 Squad. Replacements for the graduating Gridders up from last year's Junior Varsity and Junior High Teams gave a good account of themselves. Numerous injuries handicapped the team throughout the year. Player after player was injured until, at one time, ten boys were on the injured list; of these, five were regulars.

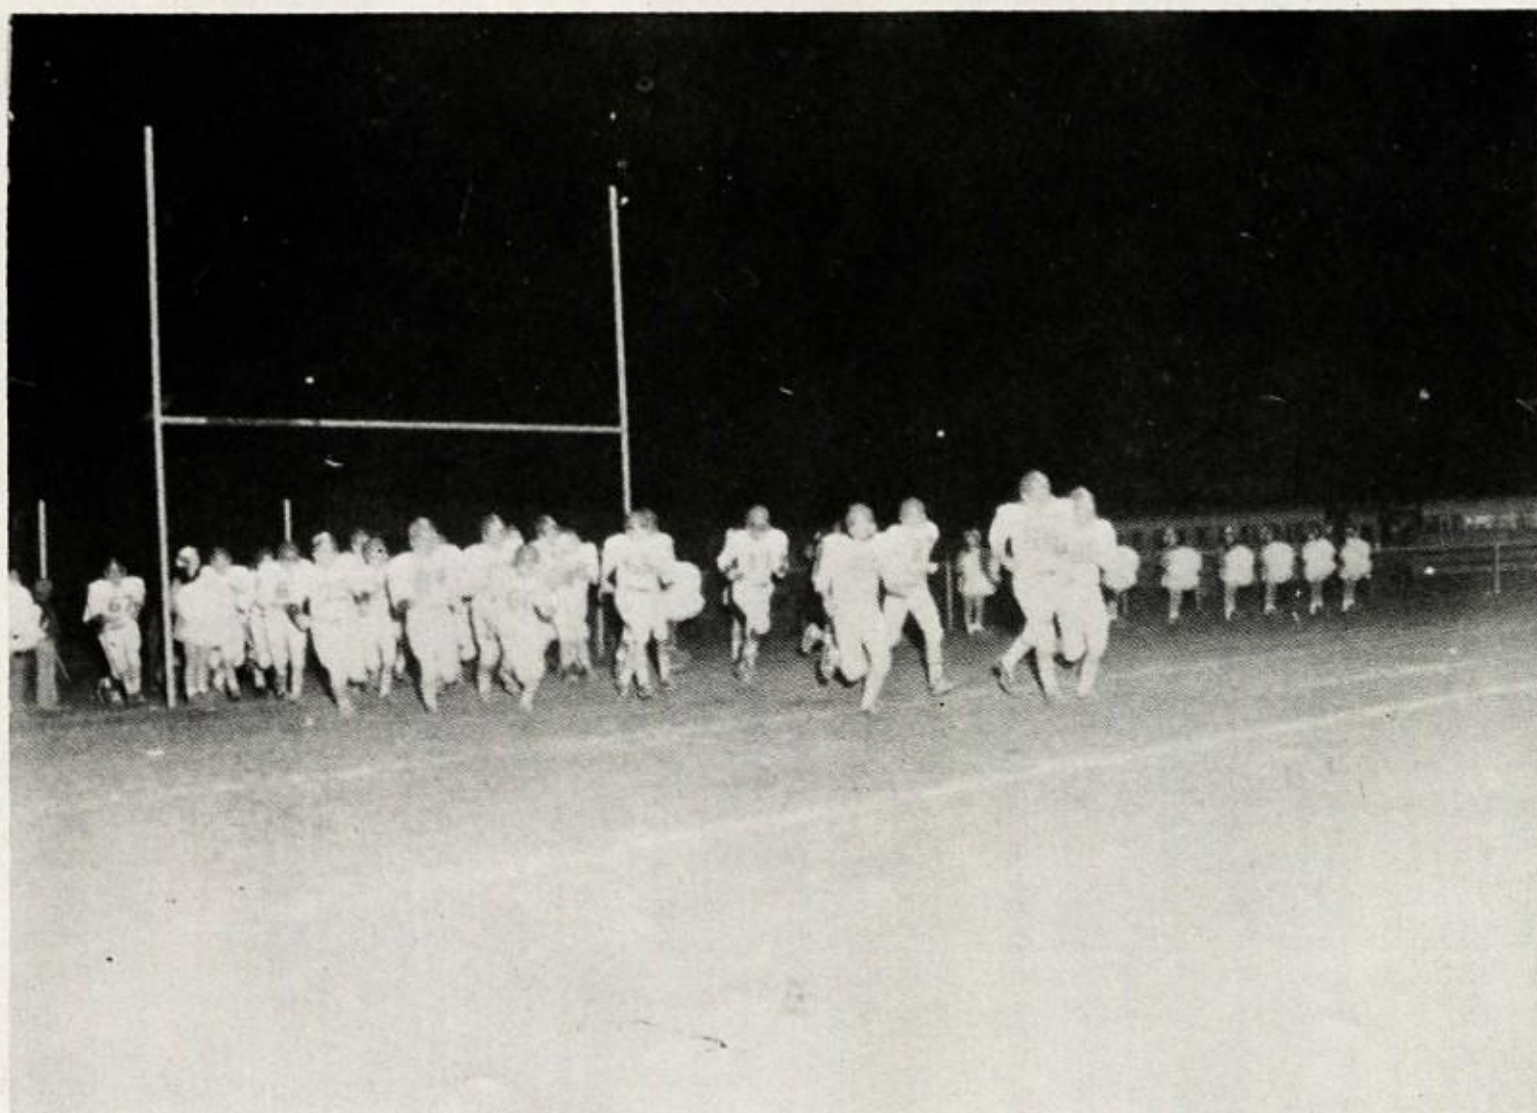

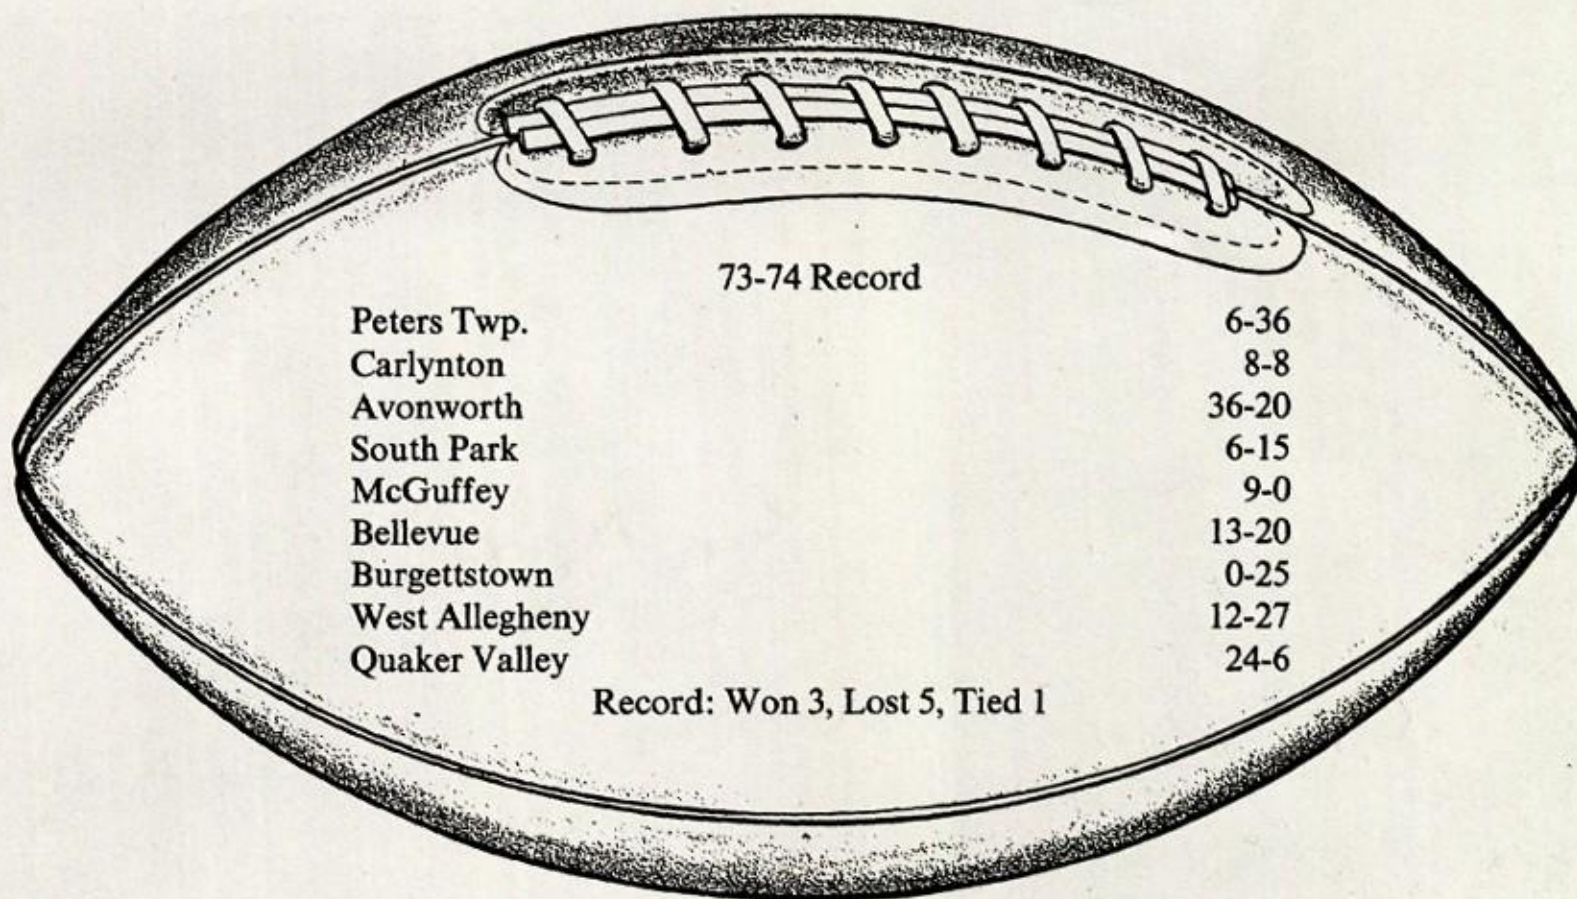

Still, the Rangers' spirit wasn't gloomy. They fought hard and well in each of the ballgames. Local fans feel sure if a few breaks had come our way, some of the losses could have very easily been Ranger victories.

The excitement and thrills that our Team has provided will bring back fond memories for us for the rest of our lives.

## 73-74 Season

Our team's record this year does not show all the effort and enthusiasm our players so willingly put forth. The hard work and dedication still makes us proud to say they're our Ranger team.

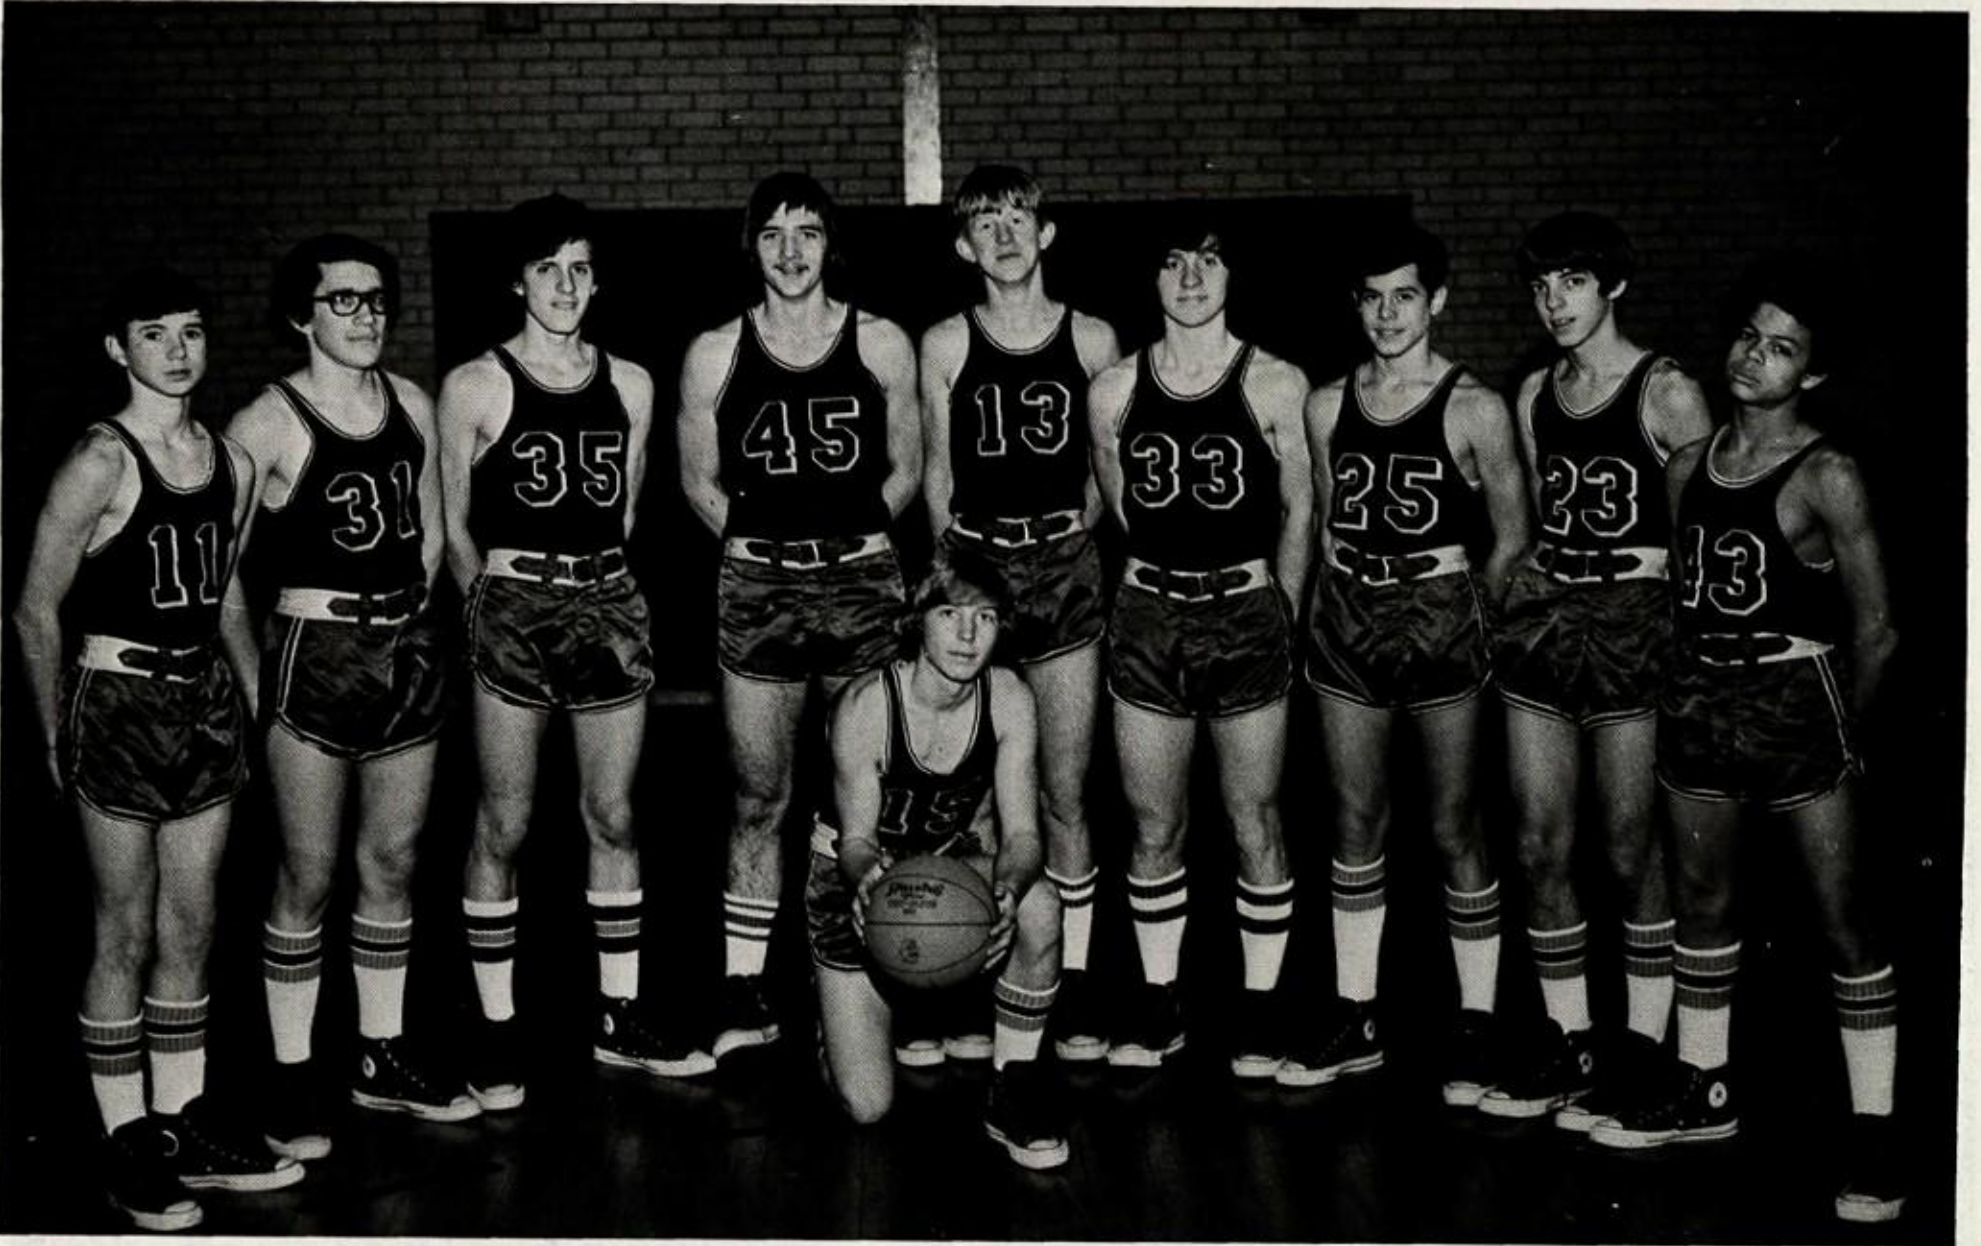

Outstanding efforts were displayed by Randy Brown and Robert Brown. Randy broke the record for the most assists in one season — totaling 100 — and tied the record for most assists in one game — tallying 11.

Robert Brown — our leading scorer with a 23.6 average — totaled 479 points this season leading our team and taking the honors of leading Washington County!

We wish the team the best of luck next season!

### 1973-74 Season

The 1973-74 Wrestlers gave "The Fort" what it has long awaited — a wrestler that competed in the State Championships. In fact, there were three wrestlers, Gene DeFilippis at 112, Mark Cowden at 138, and Bob Hospodar at 155.

Bob placed fourth in the State and Gene lost a heartbreaking referee's decision in the finals to place second. Gene finished his season with 24 wins and only 3 losses and his career 52 and 11. Bob finished 20 wins and 5 losses and his career 48 and 13. Hospodar also became the school's first W.P.I.A.L. Champion while DeFilippis and Cowden placed second and Jim Snyder placed third. In Section 10 of the W.P.I.A.L. DeFilippis and Hospodar won championships. Gene's first title and Bob's second. While Bruce White, Mark Cowden, Bob Cook, and Jim Snyder took second places, third place winners were Bill Bernhart and John Zeno while Bob Jones and Ray Kemp placed fourth.

The team had a fine 8-5-1 record and placed second in the Black Hills Tournament, second in the Section 10 Tournament, and third in the W.P.I.A.L. Tournament.

Other Wrestlers with good records were:

Rich Jones 8-5-1 2nd in Black Hills

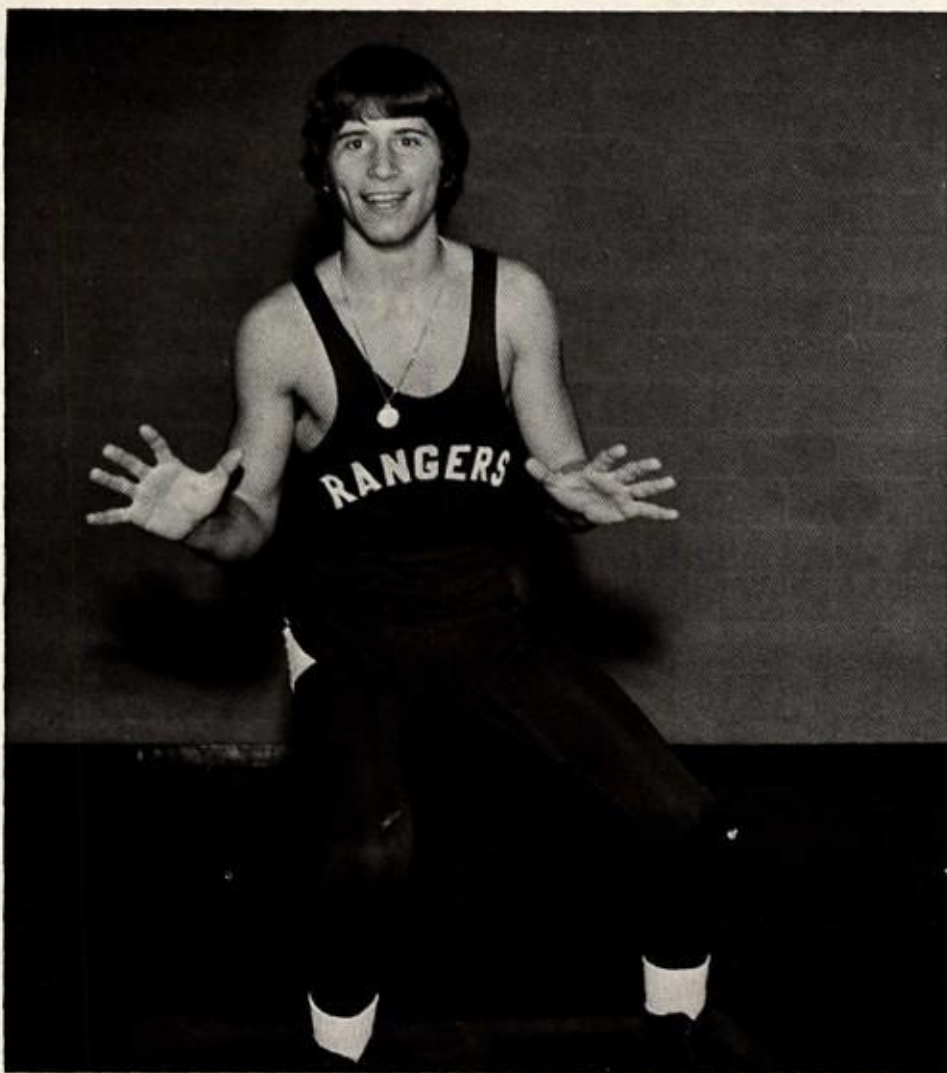

Ray Kemp 7-3-1

Bob Cook 11-4-1 2nd in Black Hills

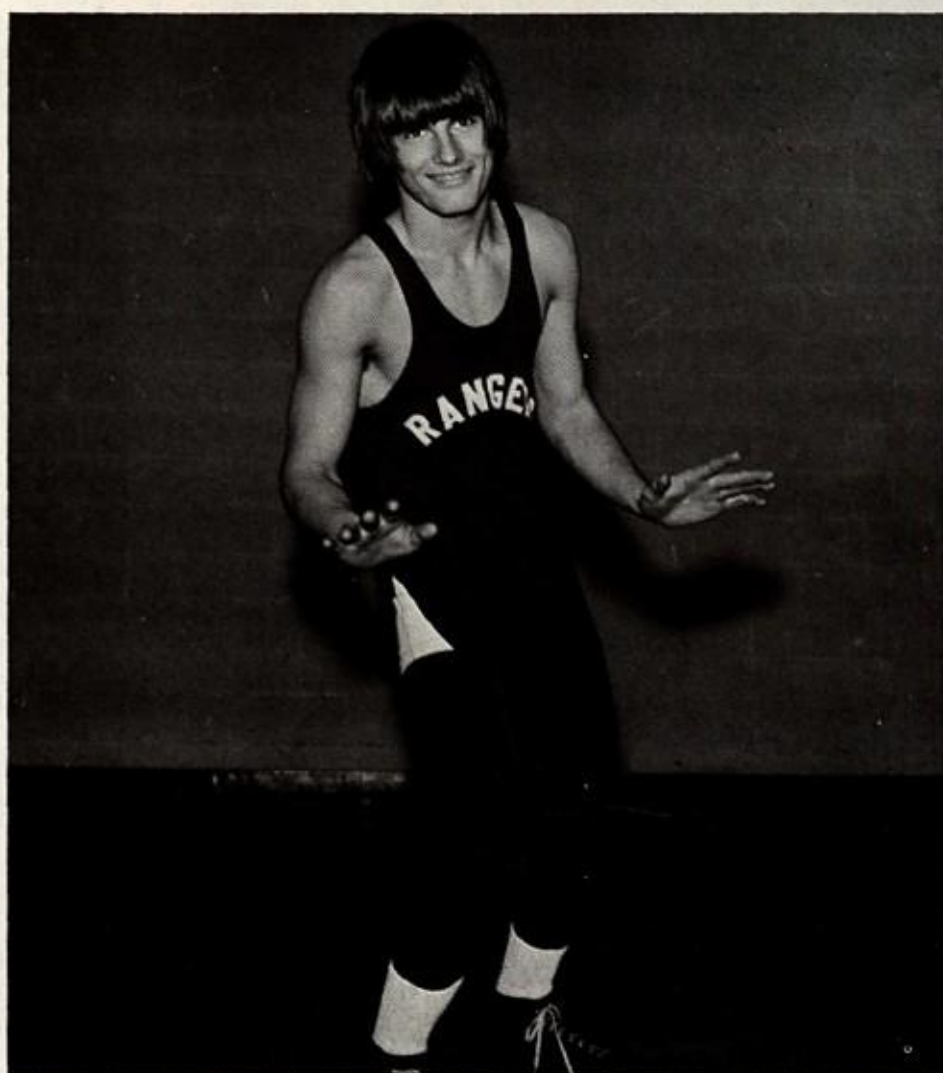

Jim Snyder 16-5-2 1st in Black Hills

This is a team our school can be proud of. Congratulations and Good Luck next year!

FRONT ROW: Jeff Phillips, Barry Johnston, Steve Lucarini, Bob Barton, Paul Clark, Bob Washington. BACK ROW: Jim Snatchko, Chuck Washington, John Blussick, Dale Smith, Eric Schofield, John Castner.

The team looks promising for this year with 5 of 6 returning lettermen. Dale Smith who was third individual in the meet at Pitt Field House last year with 410 points, Chuck Washington, Bob Barton, John Castner, and Eric Schofield also back from last year's team. Some new prospects which look good in a meet with Penn Hills were Steve Lucarini, Barry Johnston, and Jim Snatchko.

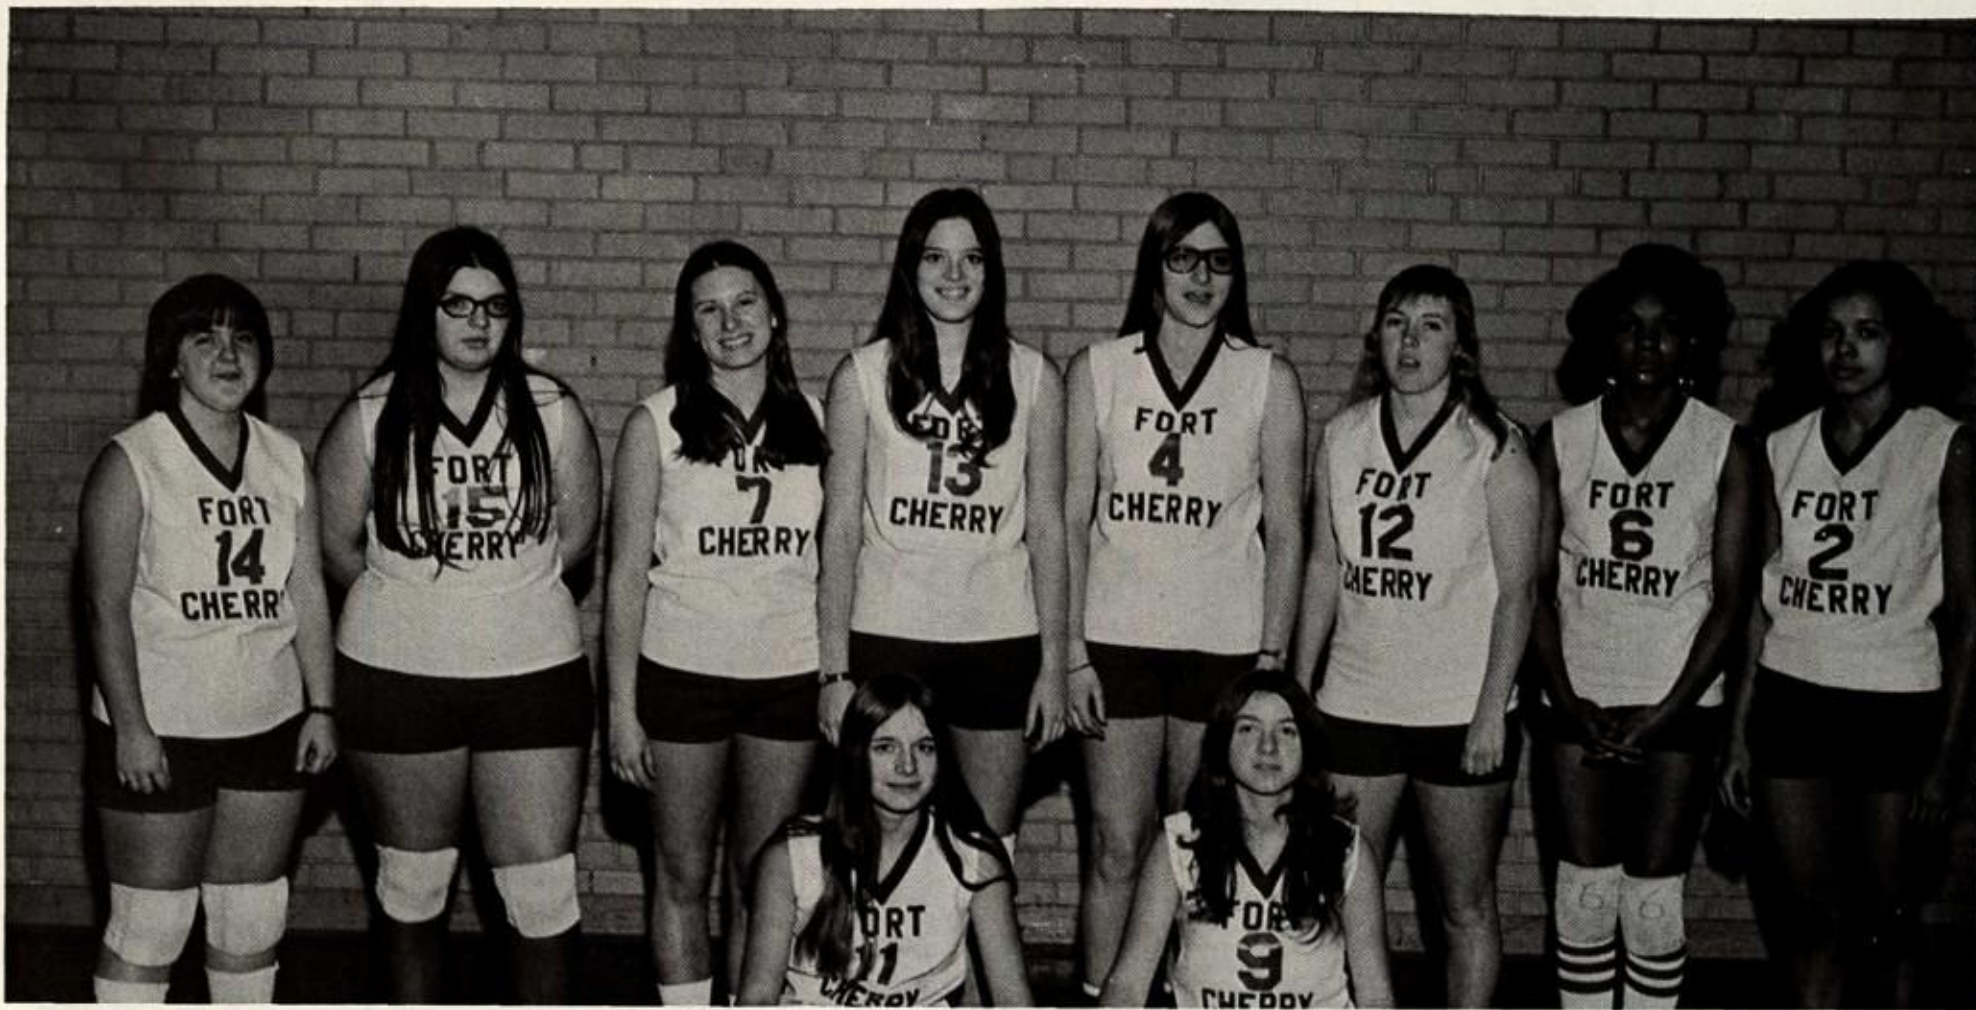

Last year we placed fifth in the tri-state meet at Pitt Field House and the team is in good spirits working hard to be one of the top three teams this year.

Competition includes sit-ups, push-ups, standing broad jumps, pull-ups, and 300 yard run with a perfect score of 500 points.

The 1973 fall season saw the first girls' sport added to the roster of F.C.H.S. interscholastic competition — Girls' Volleyball. The girls entered a tough section playing: Mt. Lebanon, Char Val, Upper St. Clair, Peters Twp., and Montour, all large schools with a few years' experience. The team's no win record was disappointing; yet, the experience gained was not reflected in the scores. Ms. Ryan has high hopes for next year's team, and the J.V. girls of this first year look promising.

## *Dr. Charles M. Hughey Award*

CHRIS

Annually, this award is presented by the Fort Cherry High School faculty to the outstanding senior athlete exhibiting academic achievement, leadership ability, and high moral values. This year the award is given to Christopher Adrian Bonnet, who has not only lettered in three sports: basketball, tennis, and golf, but has also maintained a 4.00 cumulative average throughout his high school career, earning him the distinction of a National Honor Society officership. Chris is also an active member of the chorus, YEA, Math, Science, and Varsity Clubs, and a member in good standing of the French Club. We congratulate Chris and hope many younger athletes will follow his excellent example.

## PINNACLE STAFF

Studying all aspects of Journalism in both the print media and the electronic media is the primary concern of the Journalism class. Working on the staff of the "Pinnacle" requires time, hard work, curiosity, and ability. As a result, helping send the "Pinnacle" to press gives the staff members much pleasure in sharing in a creative process, in working with people of similar interests, and in putting into practice the American ideal of free expression.

This year the "Pinnacle" has adept leadership in Marcia Dunn, its editor. General news reporters, sports writers, fashion writers, feature writers, columnists, and typists all contributed in furnishing the school with up-to-date news and views.

The purpose of the Math Club is to stimulate interest in mathematics within the school and to aid math teachers and math students in any way possible. This year the Club has established a solid tutoring service to aid those students who need help in math. The Club feels that this service has helped to further mathematics within Fort Cherry.

## Count Dracula

"Blood-curdling" was the word to describe the Junior Class's dramatic presentation of **COUNT DRACULA**. The play, set in an insane asylum, lived up to all its terrifying expectations. Based on Bram Stokers nineteenth century novel **DRACULA**, the plot unraveled the story of the beautiful young woman who falls victim to the vampire and the classic struggle between the Prince of Darkness and the forces of Good.

## "OUR TOWN"

"Our Town" depicts the life of a New Hampshire village — with its humor, picturesqueness and pathos — set against a background of centuries of time, social history, and religious ideas. As the Stage Manager in the drama says: "This is the way we were in our growing-up and in our marrying and in our doctoring and in our living and in our dying." The play begins in 1901 in Grover's Corners where the Gibbs and the Webbs are neighbors. During their childhood George Gibbs and Emily Webb are playmates and their lives are inextricably woven together as neighbors' lives are likely to be.

## *Junior-Senior Prom 1973*

The Junior Class held the 1972-73 Jr.-Sr. Prom on May 18, 1973 in the Fort Cherry gymnasium. The theme chosen was "Dancin' in the Moonlight" and the gym was decorated like a moonlit garden.

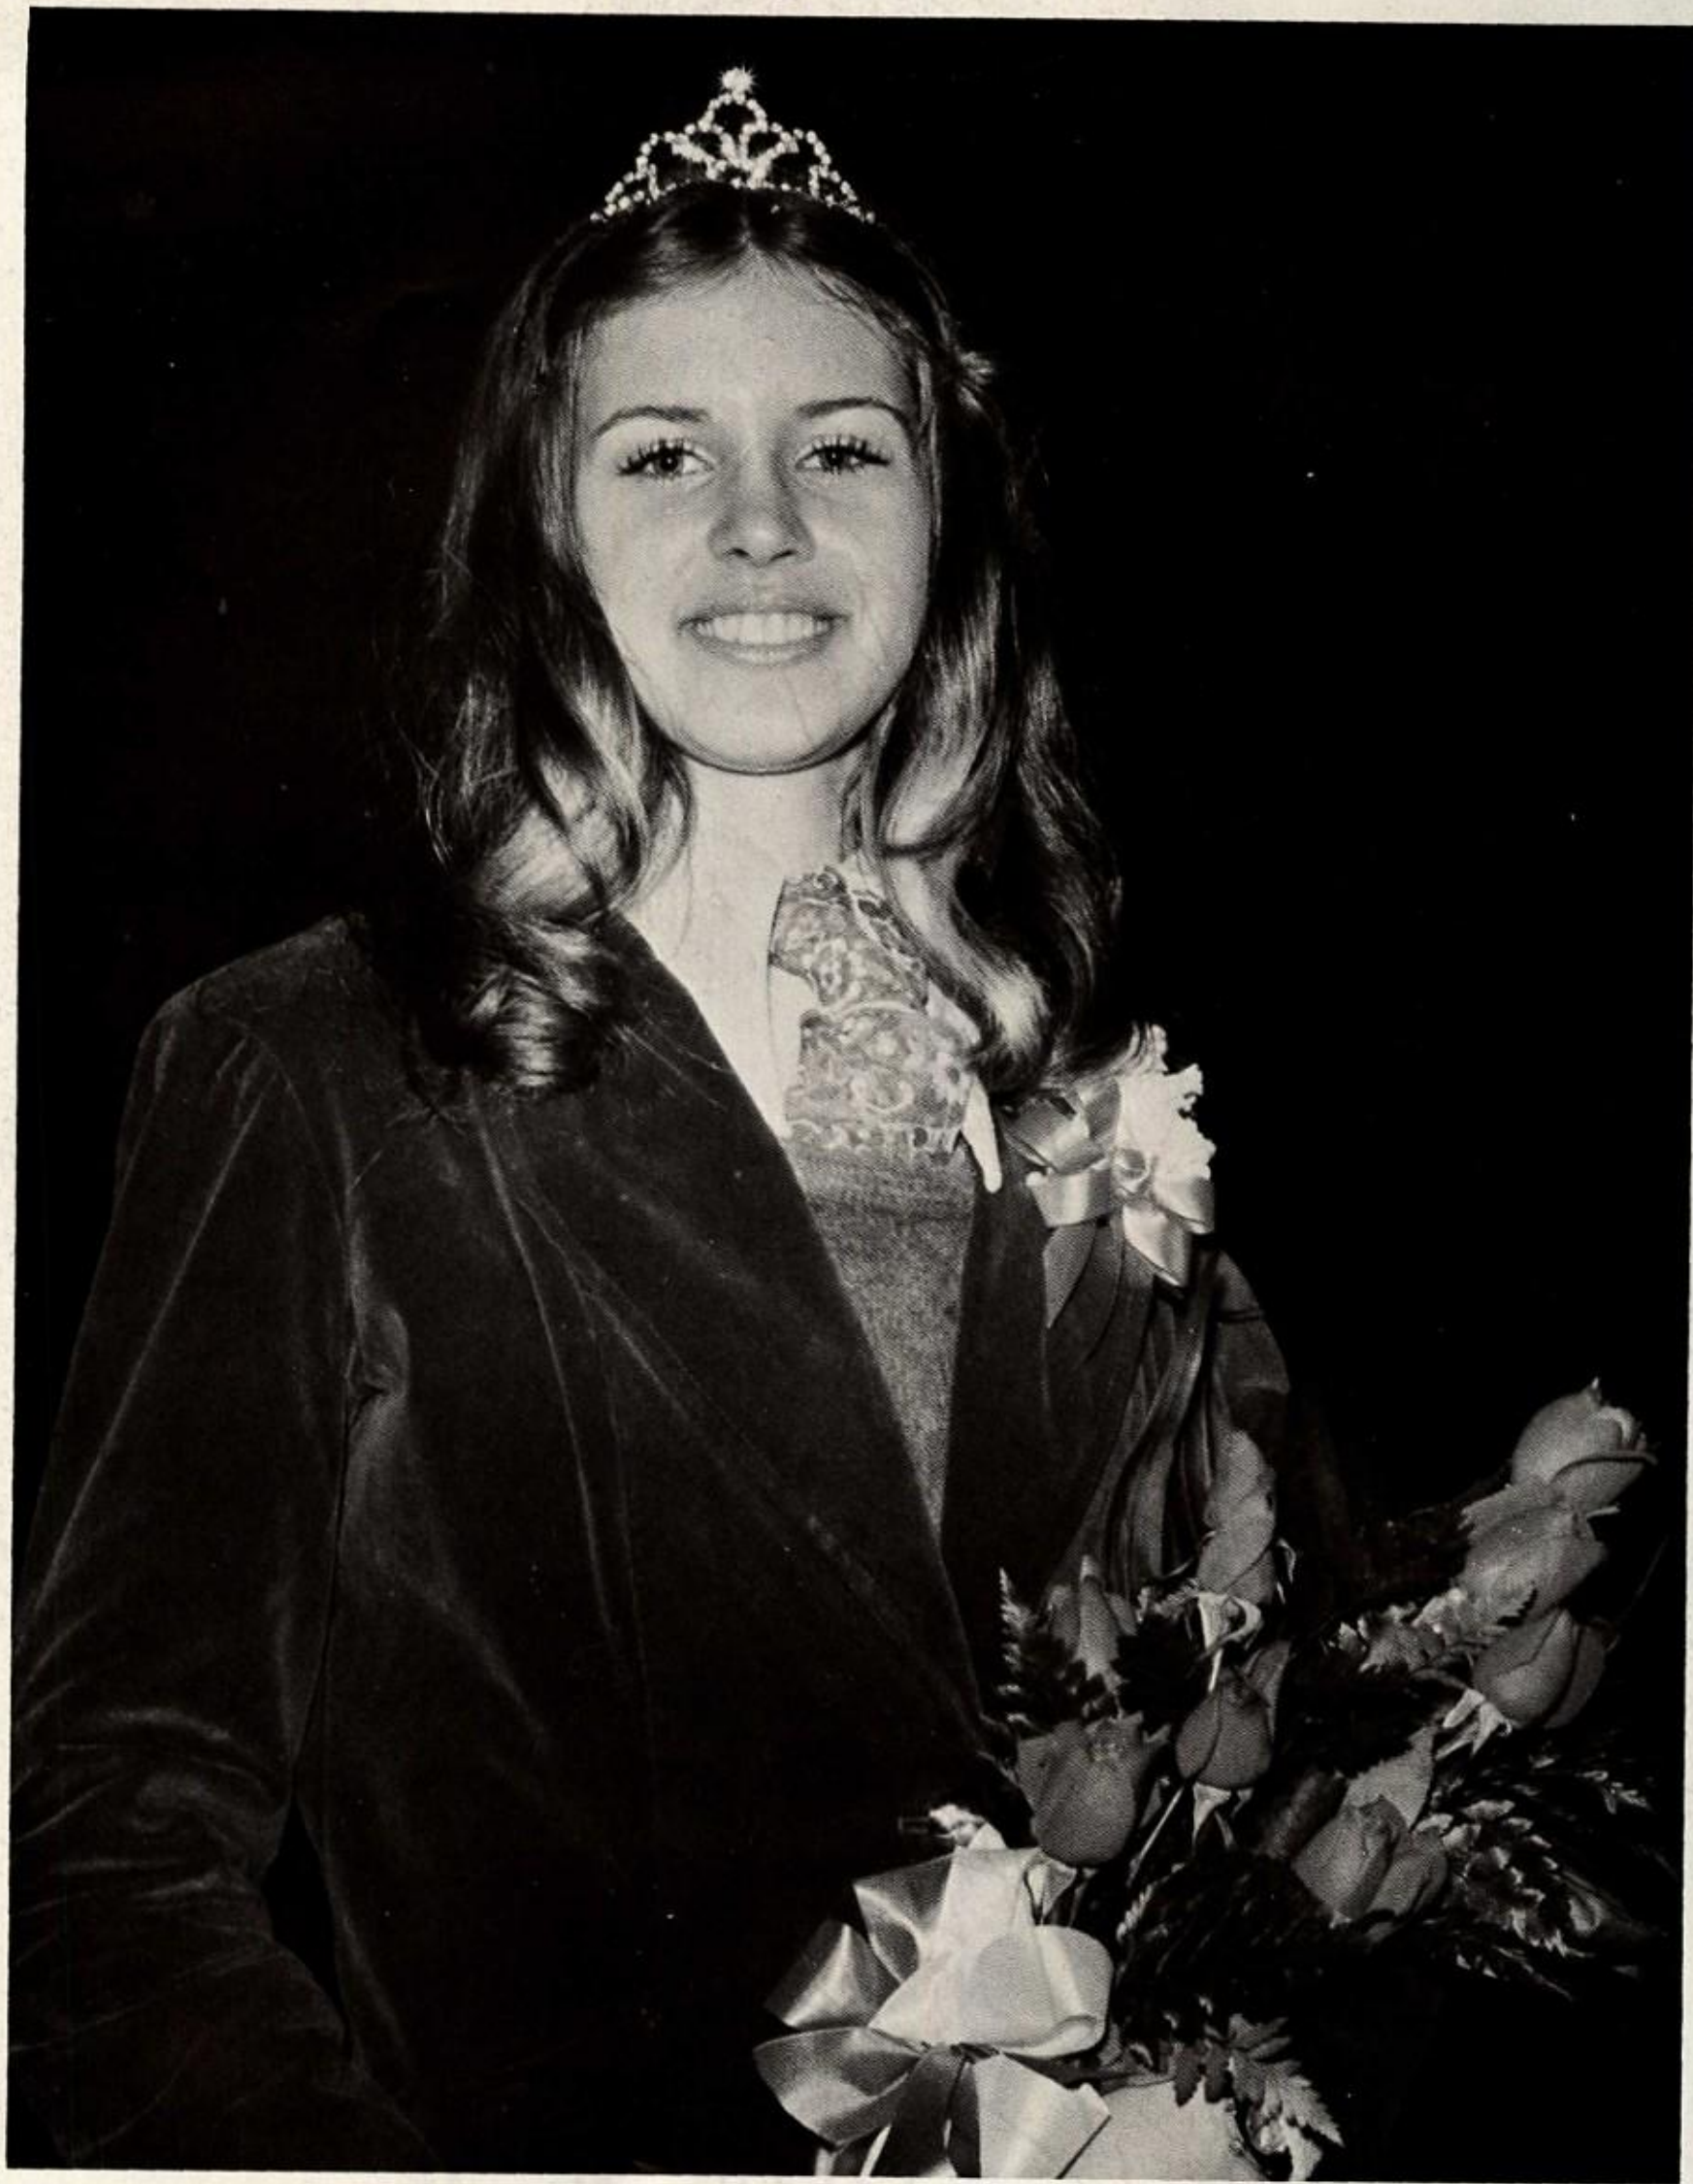

Couples entered through a white arched trellis intertwined with pink and white rosebuds on leafy vines. In the center was a beautiful fountain illuminated by a mirrored ball hung high above, that reflected the light shone on it. Glittery stars hung from the ceiling over the heads of couples dancing.

Pictures were taken beside a country well surrounded by trees and hedges. A scene complete with wrought-iron garden furniture. Live flowers graced a secluded corner. Paper roses in silvery vases on each table added a final touch.

The post-prom was held in the cafeteria immediately following the dance. Approximately two hundred people were served a deliciously varied menu.

In years to come, as I look back,  
how will I remember?  
Will I remember the year as it was  
or how I wished it to be?  
Will I remember only the happy times  
or the disappointments too?  
Did I use the days and months to form  
lasting friendships with others  
or will the experiences we shared be lost  
with the closing of a book,  
never to be of benefit to me in a more  
serious later life?

SENIOR CLASS OFFICERS

Pres. Mark Campbell  
V. Pres. Karen Walker  
Sec. Anita Hospodar  
Treas. Mary Meehan

To behold a whole new day aborning.  
To heed the call of dawn's creation.  
To peer inward and see soul.  
To gaze outward and see hope.  
To feel new meaning in the life you know.  
To wonder at the life you are about to know.  
To quest for who you are and what you are to be.  
To find purpose in being.  
To sense challenge in becoming.  
To imagine yourself a star in the heavens.  
To approach the unknown and ask why.  
To confront the unknowable and ask why not.  
To see adventure in flights transitory.  
To see eternity in truths immutable.  
To reach.  
To touch.  
To know.

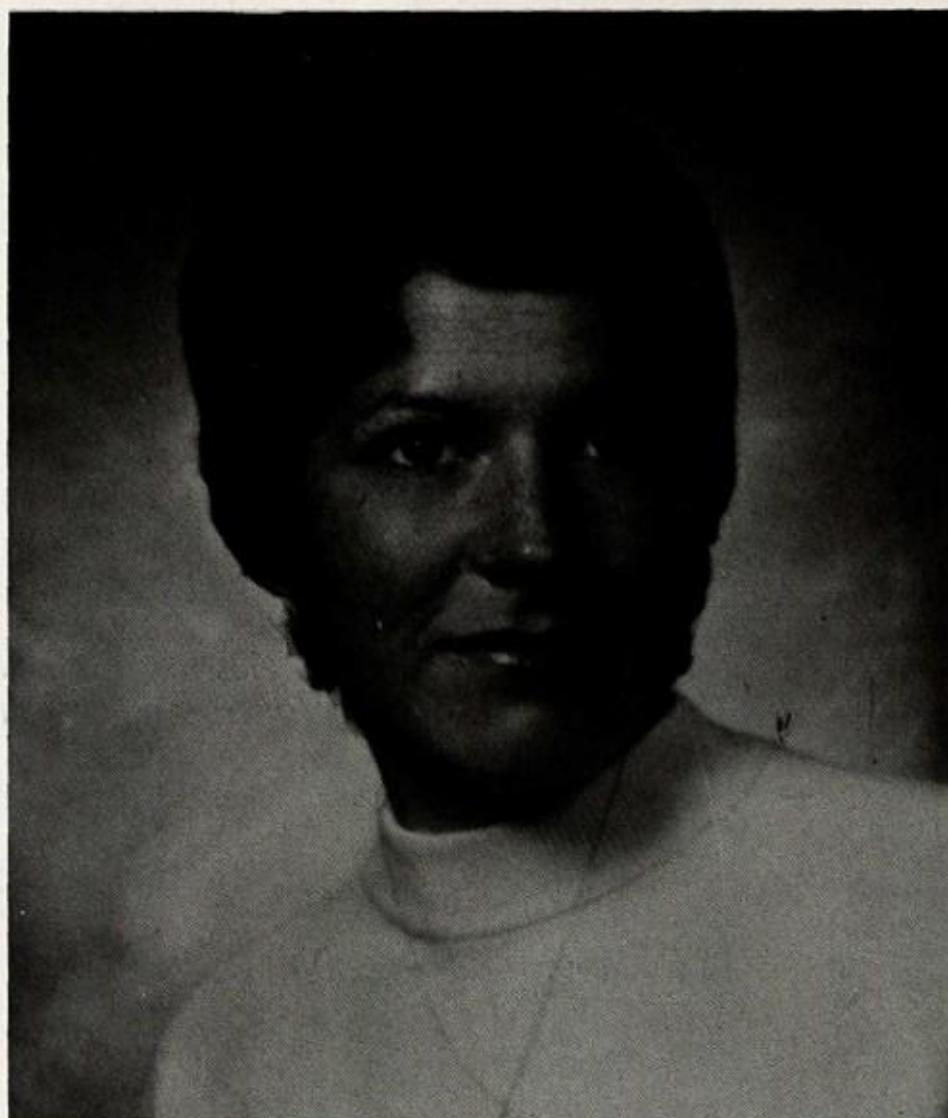

To rejoice at the rise of the sun.  
To seek light where there is dark.  
To seek peace where there is strife.  
To embrace dear values.  
To value dear embraces.  
To seize the present.  
To chart the future.  
To find summer in winter, sun in rain.  
To accept your place in today.  
To assert your place in tomorrow.  
To love to live.  
To live to love.  
To laugh.  
To cry.  
To be.  
To become.

#### D.A.R. AWARD

Patricia Moran is the recipient of this year's award for character, dependability, service, and patriotism — the Daughters of the American Revolution Award. The entire Senior Class is aware and thankful for all she has done for us as underclassmen — the Junior-Senior Prom, treasurer of F.N.A., an active member of Drama Club, Spanish Club, GAA, Student Council, National Honor Society, and chorus. Patty has always been a dependable, productive, and hard-working girl in all her activities. We of the Panorama Staff are especially indebted to her for all the time she has dedicated to this Yearbook as co-editor, and on behalf of the student body and faculty, we extend our congratulations.

PATTY  
AMERICAN LEGION  
AUXILIARY AWARD

Mary Meehan was voted by the Senior Class as the girl most deserving of this award for Good Citizenship. She is a member of National Honor Society, treasurer of the Senior Class, secretary of Student Council, a member of the Chorus, FTA, French Club, GAA, and a homecoming queen candidate for 1973-74. The Senior Class extends its congratulations to "Miche" for being most representative of these qualities: service, honor, scholarship, leadership, Americanism, and moral courage.
